## SCHEDULE 1 - REGULATIONS 51 SPECIAL EDUCATION NEEDS & DISABILITY INFORMATION REPORT

In September 2014, the special educational needs and disability (*SEND*) reforms came into effect as part of the Children and Families Act 2014. From 1 September 2014, any children or young people who are newly referred to a local authority for assessment are considered under the new Education, Health and Care (EHC) plan assessment process. The legal test of when a child or young person requires an EHC plan remains the same as that for a statement under the Education Act 1996.

*"Special Educational Needs & Difficulties (SEND) that affect a child's ability to learn can include their behaviour or ability to socialise, e.g. not being able to make friends reading and writing, e.g. they have dyslexia; ability to understand things; concentration levels e.g. they have Attention Deficit Hyperactivity Disorder (ADHD); physical needs or impairments*

*A child or young person has SEN if they have a learning difficulty or disability which calls for special educational provision to be made for him or her.*
